

# Live In Relationship Should Be Banned in India | Touchheights

# There are several reasons why some people believe that live-in relationships should be banned in India

- First reason is that some people believe that live-in relationships go against traditional Indian values and cultural norms.
- Second reason is that live-in relationships are not recognized under [Indian law](#).
- Third reason is the instability of the relationships, children born out of such relationship.

# Conclusion

It's worth mentioning that the best approach for addressing the legal challenges and social discrimination is to recognize live-in relationships and its rights on par with formal marriages and providing legal protection to partners and children involved in [live-in relationships](#).
